

Have you reached your limit on household fur but would still like to help our hounds?

Help House A Hound!

Greyhound Adoption League of Texas receives its greyhounds from many sources – breeders, trainers, owner releases, shelters and strays. In addition to these sources, GALT has operated for the past two years an on-site adoption kennel at Valley Race Park in Harlingen, TX, a seasonal track running from November to April of each year. For the 2004-2005 season, GALT is transporting the available greyhounds from Harlingen and housing them at Houn' House. During this time, GALT has a minimum of 20+ greyhounds being boarded there.

Providing quality care for the hounds in waiting simply requires a lot of money. The average stay for an adoptable hound is approx. 4 weeks. GALT's daily cost to board and care for hounds not in foster homes is \$6/day which includes the following:

- Food (twice daily)
- Climate control kennel
- Multiple daily kennel cleanings
- Staff monitoring (4 times/day)

GALT provides each dog with the following items which are in addition to the \$6/day expense:

- | | |

| Kuranda Bed | Fleece Blanket |
| Fleece Coat | Tick/Flea/Internal Parasite treatments |
| Daily onsite health/behavior monitoring | |
